## IRIS That will grow for you.

Fort Knox-Beautiful Yellow

## · · · from the WINNE 'Winning' Gardens, Beatrice, Nebr.

It is time to think of Iris again! This year we are giving you the advantage of very low prices by cutting overhead costs to the bone. Our list gives the briefest color description. Compare and you will see what we are talking about.

Stock is offered on the usual trade terms. For the larger buyer we will allow an additional 50 percent in Iris. So on orders of \$10.00 and more you may select 50 percent more plants—this means for \$10.00 you can have \$15.00 worth of Iris. For \$50.00 you can choose \$75.00 worth of Iris and etc.

Naturally we have a limited supply in some varities— so please choose several 'second choice' varities. It should not be difficult to add 'second choice' varities from this list of almost 300 fine Iris.

Terms are cash with order, no C.O.D.'s. For orders of less than \$3.00 add 35c for packing and postage.

All stock State inspected—healthy and true to name. You must be satisfied or money refunded. Visitors welcome!

Join the American Iris Society, 444 Chestnut, Nashville 10, Tenn. \$3.50 per year.
